**Turning Stone into Jade**

*The History of the New Zealand Chinese Association*

David Fung

Published with support from the Chinese Poll Tax Heritage Trust, **Turning Stone into Jade** tells the story of one of New Zealand's oldest Chinese community organisations. In its early incarnations, the NZCA offered kinship and a united voice for an often marginalised and fragile minority. As the New Zealand Chinese evolved into a community with a sure sense of place in the country's growing diverse population, the NZCA has had to adapt and change to reflect its current and future needs. **Turning Stone into Jade** is the story of how a community founded by sojourners and migrants has adapted to a new homeland, far from the place of their ancestors' birth.

Written by David Fung, this book comprises an extensive range of records from the Association's archives and other historical research, with photos, illustrations and contributions from its branches across the country.
