### **Principles of Fair Play**

#### **Interpretation**

‘A fair play coach believes and teaches that sport is an activity that develops character and shapes attitudes. Fair play is about playing hard, but playing fair, whether you are coaching, playing, umpiring, or standing on the sidelines. Teach your athletes to accept rules and decisions, and treat umpires, officials and opponents with respect.’ (SPARC Fair play)

#### **Fair play means abiding by the principles of integrity, fairness, and respect:**

1. Respect the rules.
2. Respect the officials and their decisions.
3. Respect your opponent.
4. Give everybody an equal chance to participate.
5. Maintain your self control at all times.

These qualities will help players become better people regardless of whether they win or lose.
